

Underground Parking

This is the entrance to the underground garage. Please temporarily park your car on the **right side** of the entrance so that other cars can still enter and exit on the left.

The **key for the garage gate** is located inside your apartment, next to the board in the hallway. You can find out how to access your apartment and get the key in your guest guide under the "**Access**" tab.

Once you have retrieved the key, please return to your car.

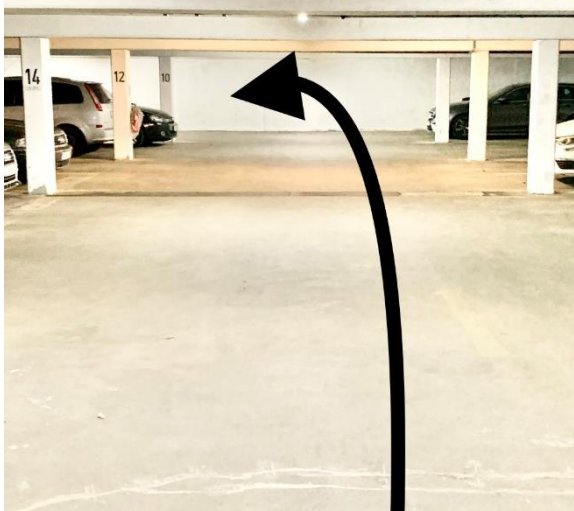

You will find a key switch on the **left wall** of the garage entrance. You can open the roller shutter gate using the key from your apartment.

Inside the garage, you can park in either **space No. 11 or No. 44**. You can also recognize them by the red sign labeled "Cottbus-Apartments".

Parking Space No. 11:

Parking Space No. 44:

The stairway to your apartment is located at the rear of the underground garage. **The entrance** is marked with the **number 2** above the doorframe:

From there, please proceed back up to the **5th floor** to your apartment.

Enjoy your stay!
